

# NEW NOTTINGHAM STATION MULTI-STOREY CAR PARK

From **Friday 11 May 2012**, the newly built Queens Road multi-storey car park will be open. The new car park is situated off Queens Road.

Creating 950 new car parking spaces, the multi-storey is the first significant investment of the ongoing Hub station redevelopment programme. The Queens Road car park will provide a new and enhanced experience for Nottingham station passengers.

Parking at the station will be more convenient than ever before, with great value prices as low as **£4**.

**GREAT  
LOW PRICE
