Potential Risks

In addition to the hazard/risks normally associated with the types of work detailed on this drawing take note of the above. This drawing is to be read in conjunction with the relevant Design Risk Assessment and the Contractor's Risk Register. Reference should also be made to the Construction Phase Health and Safety Plan, prepared and maintained by the Principal Contractor. It is assumed that all works on this drawing will be carried out by a competent contractor working, where appropriate, to an appropriate method statement.

- NOTES
- The general contractor is responsible for the verification of all dimensions on site and the architect is to be informed of any discrepancy. Do not scale from this drawing. Use figured dimensions only.
 - The signed control copy of this drawing is held at the offices of Pascall+Watson Limited.
 - All existing building dimensions and levels taken from survey information unless stated otherwise.
